SUMMER PROGRAMS UPDATE

Dear Match Families,

Since the start of the school year, we have connected with a number of students about how they spent this past summer. We learned that Summer 2022 was an opportunity for students to reconnect with friends and family, while partaking in a variety of summer programs.

Although next summer might seem far away, it is not too early to start thinking about summer activities for your child(ren). Summer break gives students the flexibility to participate in a variety of activities. Many programs have begun their enrollment and/or application process for Summer 2023.

Preparing for Summer Enrollment

Some programs have begun enrollment for next summer. In December/January, majority of programs will begin enrolling. Here are some ways you can prepare for this summer programs enrollment cycle:

- Visit matchmore.org to browse a list of programs in the area and discuss with your child the type of program they would want to go to.
- Schedule a time with Ms. Moreta, using calendly.com/matchmore, if you have any questions and/or need support with applying for programs.
- Look out for text messages about various program information sessions that will be taking place over the course of the school year.

Upcoming information Sessions:

- Eagle Island (Virtual)-Nov. 30, 2022 @ 5:30 (4th to 8th grade students)- www.rebrand.ly/EI22
